

## **Select Solutions U.S.** Web Design Athens GA

We are a web design firm located in Athens, GA. Our capabilities range from basic brochure Web sites to e-commerce Web applications that bring your business to the World Wide Web. We are members of the Association of Web Design Professionals and the Web Design And Developers Association and a Member of the Microsoft Partner Program.

Select Solutions U.S. LLC, has been building and hosting web sites since 1998. Our customer retention for this period is an astounding 99.3%! The reason? Our fanatical customer support combined with our intended more than expected value.

We are your source in Northeast Georgia for Web Site design, development and hosting. We're a local firm, specializing in developing Web sites for other local businesses. When you call us, you're talking to a neighbor down the street, not some busy account executive in Atlanta who doesn't even remember your name.

Founded by Robert M. (Bob) Stephenson over 14 years ago, we service clients worldwide. Bob has a degree in Marketing from Rollins College and graduated with honors. He had a 25 year career with Chevrolet Motor Division and General Motors utilizing his marketing degree in various mid-level management jobs from District Sales Manager, to Regional Marketing Manager and Area Marketing Manager for General Motors. He and his wife Linda have been involved in web design and internet marketing for over 14 years.

## Why Choose Us?

A wide range of businesses, from small ones to larger ones, trust Wired Grafix/ Web Design Athens GA as their web development solutions provider. Here are a few reasons why:

- Superior Customer Service - Our web developers are themselves company owners and are committed to our client's success. We recognize that success on the web takes ongoing effort and are committed to helping our clients reach their goals over the long haul. Have a question? Just ask.
- Comprehensive Solutions - We provide comprehensive solutions including web page design, eMarketing, as well as web hosting, search engine optimization, equine Real Estate solutions, and much more.
- Experience - Our graphic designers have over 15 years of experience creating solutions to challenges much like those you face. We know how to balance the cost effectively with our solutions and your custom requirements and the brand image you want to portray.
- Team Philosophy - Every project we take on at Wired Grafix is handled by a skilled team of graphic designers, who are also trained in all aspects of marketing. We have learned through experience and we will share those experiences with you.
- Focus on ROI (Return on Investment) - We seek to understand what is important to our clients. We want our clients to be successful on the web and are committed to help make that happen. We will often have suggestions based in experience in Internet marketing for how clients can make the most of their web investment. Your success makes us successful.
- Relationship Philosophy - We recognize that successful businesses are built on a foundation of relationship. We see ourselves as your business partner - We provide responsive, quality services that free you to focus on what is important, your business.
- Referral Credits for you - We credit back to you a minimum one quarter hosting fees for any referral that buys a web design or redesign. Our way of saying "thanks!"
- Support seven days a week - Our customer support and ability to respond to problems is second to none. You can contact our head web designer, yes, seven days a week, 10 hours a day. Our normal response time to a request for change to a web site is within 12 hours. We do make office calls in the Athens Metro at no additional charge.
